

Sinclair uses the public airwaves free of charge. It is unfair and manipulative for Sinclair Broadcasting to force their stations to air an anti-Kerry documentary days before the election. Sinclair Broadcasting has no right to do this and, in fact, has an obligation to be impartial in an election.

Sinclair Broadcasting is obligated by law to serve the public interest. Not the interest of Sinclair Broadcasting or a political party. An action like this should put Sinclair Broadcasting's license in jeopardy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process should involve the consent of the people who are supposed to be served by Sinclair Broadcasting. Thank you.
